

## Transit Pass Subsidy Program For Unincorporated Area Residents

**Eligibility Requirements:** Unincorporated County residents who are Seniors (62 and older), those with disabilities, students (kindergarten through 12th grade), or attending College/Vocational school are eligible to participate in the County's Transit Pass Subsidy Program with Metro. Discounted Metro General Monthly Pass and EZ Pass are also available to unincorporated County residents who reside in the First, Second, Fourth, and Fifth Supervisorial Districts.
